## WHAT DO WE DO?

### MISSION STATEMENT

The Florida Hemophilia Association, Inc (FHA) is a Not-for-Profit organization that is dedicated to enhancing the quality of life in the bleeding disorders community by creating programs and services that provide education, emotional support and advocacy. We are contributing toward research to ultimately find a cure.

### HOW WILL THE GOLF PROCEEDS BE USED?

Hemophilia ranks as one of the most expensive chronic disorders in the United States: The Annual Swing for the Kids Golf Tournament for Hemophilia raises funds to support programs for people with bleeding disorders. Proceeds from this Fund-raiser may be used for education, advocacy, compassionate care, and support that directly benefits individuals with hemophilia and other bleeding disorders. Approximately 86% of our funding goes back to the patients and families affected by these chronic illnesses.

If you cannot join us for golf, your tax deductible donation is most appreciated. You may obtain a receipt by contacting the FHA at 305.235.0717
